A Striking Contemporary Family Home

Beautifully presented four bedroom beach house style home offering light filled open plan living with polished timber floorboards flowing out to a beautiful entertainment deck with 270 degree ocean, district and city skyline views.

A gourmet kitchen with breakfast bar is the centre piece of the home which any quality chef would be proud of.

Three beautifully renovated bathrooms including ensuite.

A stylish master bedroom is on offer, complimented by a designer ensuite, walk-in robe and stunning timber shutters.

For the busy home professional there is a functional and spacious home office ideally positioned out of the main flow of the home.

The downstairs rumpus is ideal as a kids TV room.

Private and level child safe backyard with large garden shed.
