Brick Beauty

An amazing 3-4 bedroom family home that offers real options to the first home buyer and investor alike.

This is an immaculately presented home with modern kitchen and dining area complimented by a roomy formal lounge. From the street the home appears as a simple single level brick home but in reality it has a second storey that offers an under-building garage area with internal access plus an area that would make a great 4th bedroom, home office, teenage retreat or TV rumpus that flows out to a large undercover BBQ area. This great home is a safe haven for children with a level sun drenched backyard whilst being located in a whisper quiet circuit with no through traffic.

Close to quality schools, shops and public transport - it has the lot!!
