Start From Scratch or Finish What's Been Started...The Choice is Yours

Whether you want to knock it down and start from scratch or move in and take advantage of the hard work that's already been done, No. 31 Forest Way is screaming out to be further improved.

The property is currently rented, however prior to leaving to pursue career opportunities interstate, the current owners commenced renovations that form a solid base from which to further add value.

With its 21m frontage, additional off street parking and long established granny flat, this is a superb entry level opportunity in one of Sydney's most 'go ahead' areas.
