Solid Quaint and Purple! Immerse Yourself in Nature

Offered for the first time in almost 40 years this quaint yet solid home presents an interesting timeline of decor dating back from its eccentric mid 60's roots to the late 80's (complete with original purple carpet!)

Clearly the opportunity here is to capitalize on the already solid structure and renovate to a modern aesthetic.

Key features include:

Filtered views through the trees over Pittwater towards Bayview

Large open plan main living room opens front and rear

2 double bedrooms + 3rd presently set up as study
