Iconic 1970s Philip Cox Design - Corner Grandview Pde

Spacious Comfortable Functional

In 1974 when HQ Holden's ruled the road and Graeme Eadie won the Rothmans Medal, this outstanding Philip Cox designed home was nominated a Category Winner in the Sun Herald House of the Year Competition.

And with such a distinguished pedigree, it's no surprise the home displays an absolutely remarkable functionality - years ahead of its time.

Key to its success as the ideal home for a large or 'Brady Bunch' family is the innovative split level design.
