### The Best Is Yet To Come

The neighbourhood around Tarra Crescent is one of the best kept secrets on the northern beaches.

One of those quiet, tightly held communities where most of the homes still have the original owners.

The home enjoys close proximity to schools, playing fields and reserves, not to mention beautiful Long Reef Beach.

Backing onto Dee Why Oval, your kids have acres of space to run off their excess energy.

Recently refreshed, the home offers ample accommodation for a growing family with 3 separate living areas, including an independent one bedroom self contained studio' created by past owners to accommodate guests, in laws and elderly family members. It is also great for those who want to generate extra income.
