Fully Furnished - 12 months lease

Tucked away and almost totally hidden from view, you've probably walked or driven past this Mona Vale 'Gem' more times than you've had hot dinners!

So private and so close is it to the bustling centre of Mona Vale, it's hard to believe you can be so close yet so removed. Set back off the street within a fully enclosed, level, low maintenance garden, this utterly charming home is worth a very close look.

Just meters to the centre of town, you will enjoy immediate proximity to all the shops, cafes, restaurants, medical services, schools, B-Line and 199 bus services and Kitchener Park...the list goes on.
