Get Set For Summer...It's just 2 mins to the beach!

Imagine a relaxing walk along the beach as the sun comes up over the horizon or a quick dip in the late afternoon to wash away the day.

Amble down to Nippers on Sunday morning or stroll into the village for your favourite Thai or Indian curry and a glass of wine on Friday night.

Backing onto Porter Reserve, there is acres of space for the kids and the pooch to run off some steam, kick a ball, fly a kite!

Architect designed and built in 2002, with multiple living areas inside and out, this beautifully constructed family home is all things practical and functional for contemporary beachside living.
