Let's face it...life's a breeze when you can walk everywhere in little more than five minutes 'on the flat' - the City bus and Newport Primary, the Village cafes and restaurants or the Pub for an easy dinner on Friday night!

Though modest from the street, you can't 'judge a book by its cover' when it comes to this feature-packed cottage in a super convenient position.

Take a close look at what's on offer:

Level access from parking to entire living area  
Open plan living areas flow out to an oversized covered outdoor entertaining space that doubles the living area and provides the perfect excuse to laugh the afternoon away with friends and family
