### On Holidays 24/7 - Narrabeen Style

Totally private from the street and with an instantly appealing ambience, this home oozes charm...it's all about the relaxed beach lifestyle.

Located between the Narrabeen lake and the famed North Narrabeen surf break, with great coffee and restaurants on your doorstep, you could be forgiven for thinking every day is a holiday.

Consider this...a brisk walk along the beach at sunrise, a few laps in the ocean pool, stop by Zubi for your favourite coffee and the morning's headlines, then back home for breakfast...just another day in paradise.
