60 plus yrs - 619 sqm land - Blank Canvass - The Future Looks Bright

Offered for the first time in more than 60yrs, there is an authenticity, an honesty about this home that seems impossible to ignore - and the future looks bright.

Refreshed and remodelled over time as the family's needs changed, the hints of different eras are instantly recognisable - the rippled glass in the sunroom doors, the duck egg blue bathroom fittings and deep cast iron bath, the old workshop where Dad sought solace and performed his weekend miracles - gluing broken toys back together, building the dog's kennel, painting and fixing anything and everything.
