Cute 1950's Cottage with a Very Bright Future

With its high ceilings, large picture windows and covered front veranda, could this be the smallest, cutest, circa 1950's cottage in Newport?

Offered for the first time in more than 30 years, this near original cottage is an incredible opportunity to get into the market at land value and for sure, the future looks bright.

Surrounded by quality homes just a short easy walk to Newport Village, the school and the Pub, this property is indeed the odd one out' - positively bursting with potential and screaming out to be improved.
