### Resort Style Living

You will be captivated by this beautiful two bedroom apartment that offers stylish open plan living complimented by a large gas kitchen with loads of bench space.

The living area flows seamlessly out to a fully covered terrace that offers the extra dimension of a private garden setting and large lawn area (common property) which is ideal for kids.

Is not often in apartment living you will enjoy a BBQ and evening drink whilst supervising the kids in a backyard style setting.

Beautiful presentation exists throughout with all the essentials on offer including two double size bedrooms (both with built-ins), internal laundry, security building access and parking with own lock up garage.
