Opportunity Knocks

Welcome to one of the original three bedroom cottages in the heart of North Curl Curl.

Options, possibilities and opportunities are everywhere you look.

A classic three bedroom cottage style home offering well maintained living spaces complimented by a beautiful new kitchen, fresh paint and new carpet.

There is a study/home office that would easily double as a formal dining area.

It's like living in your own private oasis with lush landscaped gardens front and back with Koi fish ponds.
