Saltpan Serenity - A Home for Well Being

Overlooking Florence Park and Saltpan Cove, you will find 27 Elvina Ave a home with an instantly recognisable warm, gentle energy radiating from its superb north aspect, rock solid 1960's DNA and welcome privacy.

Such is the extraordinary 'livability' of the home, derived from its uncomplicated, low maintenance, practical layout and its passive solar construction (warm in winter and cool in summer), it has remained a treasured haven for the current owners since their return from Asia, almost 30 years ago.
