Beachside Jewel Bursting with Potential

Bilgola Beach is one of Sydney's few remaining discreet, beachside sanctuaries renowned for its towering Cabbage Tree palms, deep ocean pool and history dating back to the early 1800's.

Enjoyed mostly by the locals, many of whom have held the properties for generations; it is a truly coveted enclave where homes rarely change hands outside of family.

Within this utterly unique community, few properties are so rich in history, with a style so shamelessly quirky and yet still bursting with potential.
