Contemporary Chic in the Heart of Newport

A delicious cocktail of sophisticated, cool and relaxed style, you will feel as if you have been transported to another place and time inside this gorgeous Newport home.

Exquisitely private, at the end of the driveway, yet just an easy level walk to Lucky and Peps and all the other charms of the Newport Beach Village.

Built new in 2013, the decor is contemporary chic with vast open plan living spilling out to covered alfresco entertaining areas with outdoor kitchen, dining and seating areas.
